Earth Day At Home!

Let's celebrate Earth Day 2020! With the world going digital at the moment, there are so many great resources for families that bring outdoor events to you, comfy on your own couch! From Earth Day songs to crafts and more, we are sharing our favorite websites and ideas that not only are educational, but fun! Many of our nation's museums and libraries are celebrating Earth Day by posting fun videos, tutorials and more. When it's time to get back outside, your children will be so knowledgeable about topics such as recycling, saving energy, and how to keep our homes and surroundings (parks, beaches) clean!
