Daylight Savings Time Fountain Light Timer Adjustments

We have now moved our clocks forward for Daylight Savings Time. Our EECI Field Staff will be adjusting timers to reflect the time change. Please notify us on any issues you may encounter, including issues with lighting or light bulb replacements.

If you have any questions or concerns, please contact EECI's professional office at 302.684.5201 or via email at info@envirotechecinc.com!
